#### D. F. DAVIS' UNUSUAL OFFER

"It isn't often that I have faith enough in the medicine put up by other people to be willing to offer to refund the money if it does not cure," said D. F. Davis, a Times man who dropped into his store, "but I am glad to sell Dr. Howard's specific for the cure of constipation and dyspepsia on that basis."

"The Dr. Howard company, in order to get a quick introductory sale, authorizes me to sell their regular fifty-cent bottles at half-price, 25 cents, and, although I have sold a lot of it, and have guaranteed every package, not one has been brought back as unsatisfactory."

"One great advantage of this specific," he continued, "is its small dose and convenient form. There are sixty doses in a vial that can be carried in the vest pocket or purse, and every one has more medicinal power than a big pill or tablet or a tumbler of mineral water."

"I am still selling the specific at half-price, although I cannot tell how long I shall be able to do so, and anyone who is subject to constipation, sick headache, dizziness, liver trouble, indigestion, or a general played-out condition, ought to take advantage of this chance."
